REGARDS - FAHAD

# MEET FAHAD

Get to know the person behind the lens!

Hello and welcome to my world of wedding photography! My name is Fahad Mustafa, and I am incredibly passionate about telling love stories through my lens. I have done B.A Hons in filmmaking from BNU (Beaconhouse National University) Lahore. As a wedding photograher, I feel honoured and privileged to be a part of the most cherished moments of a couple's journey. With a deep appreciation for the beauty of human connections, I strive to freeze those intimate, candid, and joyous moments that make weddings truly magical. Each couple I work with has a unique love story, and my goal is to document it with an authentic and artistic approach. I believe that wedding photography is not just about clicking pictures but about creating a timeless tale that couples can revisit and relive for generations to come. From the tender glances to the hearty laughs, It's essential for me to build a genuine connection with the couples I work with, as it allows me to understand their personalities and preferences better. Your comfort and happiness are my top priorities, and I strive to create a relaxed and enjoyable environment during our sessions. Thank you for considering me to be a part of your special day. I am excited to capture the extraordinary moments of your wedding and weave them into a timeless tapestry of love. Let's create magic together.

# DELIVERY OF WORK

## RAW DATA

After the wedding day, the photographers and videographers transfer the raw data from their cameras and equipment to secure storage devices. We often maintain multiple backups of the raw data to ensure its safety. To facilitate efficient post-processing and editing, the raw data is typically organised and cataloged to make it easier for the team and client to see it.

## Digital Download or USB Drive:

Raw Data, Edited Pictures and Videos are delivered either through digital download links sent via email or through a USB drive sent physically to the couple's address. Digital download links are convenient and fast, while USB drives provide a tangible keepsake.

## Photo Editing

After the selection from raw data has been made by client, the pictures go through various steps of editing.It involves color correction, cropping, retouching, and enhancing the overall quality of the visuals.

## Video Editing

The editor watches through all the footage to select the best clips that capture key moments, emotions, and highlights of the wedding. Color grading is then used to give the wedding film a specific look or style, enhancing the visual aesthetic. The editor selects appropriate music that complements the emotions and mood of the wedding film.

## Albums

Choose our Indian Style Album with 10 pages measuring 12\*36 inches. Pick from two background designs: classic white or artistic blur. Opt for Luster or glossy paper quality and select either matte or cross lamination for the title page. Designed Layouts are shared with client when editing.

## Delivery Timeline

Raw data is shared within 1 week after the wedding. After the selection has been made for editing and albums from raw data by cleint, edited images and albums are shared within 1 month. Edited Videos are shared within 2-3 months after the wedding date.

## Sneak Peaks & Sharing Online

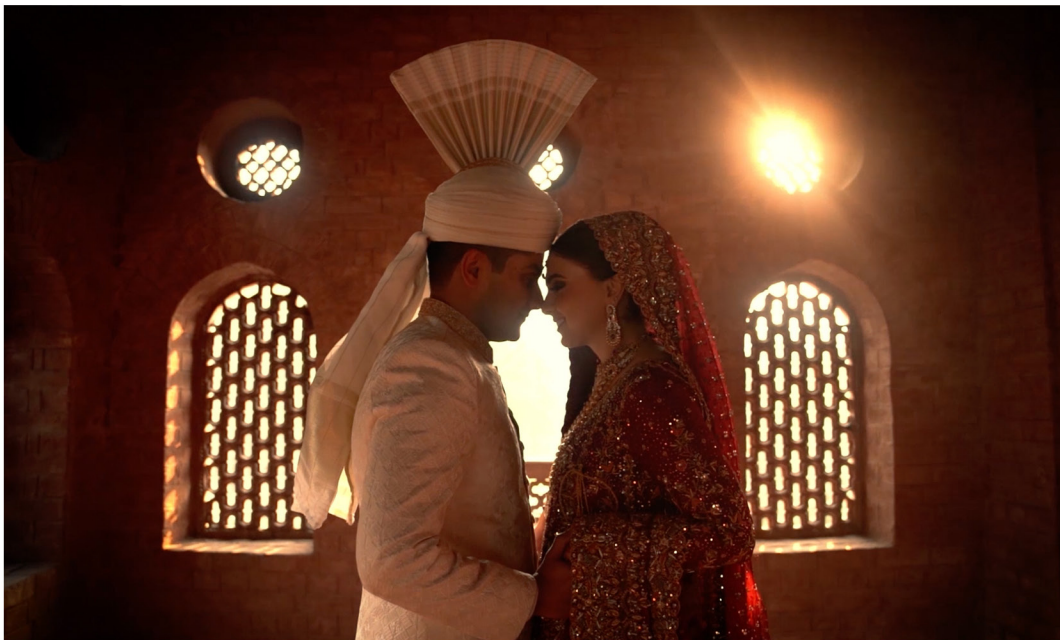

We'll provide a selection of sneak peek photos to give you a glimpse of the highlights from your big day within two weeks. These images are perfect for sharing on social media!

## Communication and Feedback

Throughout the delivery process, good communication is maintained with the couple. Any specific requests or adjustments are addressed to ensure the couple is satisfied with the final work.

## Backup & Archiving

Upon completion of the work, we remove all raw data from our system. However, rest assured that we securely retain backups of the edited pictures and videos, even after delivery.

## FREQUENTLY ASKED QUESTIONS

### What makes your work different from other photographers work?

I excel at capturing candid moments throughout the wedding day. My portrait sessions result in natural, real smiles and are an enjoyable experience. I take a quiet, photojournalistic approach to documenting wedding though I also take time to engage your family together for formal portraits. Our team is highly qualified and has done graduation from very good universities. So it reflects in our work and style of communication.

### What is the typical process for booking your services?

To book our services, simply get in touch with us through our website or contact details. We will schedule an initial consultation to discuss your vision, preferences, and wedding details. Afterward, we'll guide you through the booking process step-by-step.

### Can I choose music for my wedding film?

We welcome your input and preferences when it comes to selecting the soundtrack that resonates with your heart. Whether you have specific songs in mind or a particular genre that captures the spirit of your relationship, we are here to accommodate your musical choices. During the post-processing and editing phase of your wedding film, our team will work closely with you to curate a music selection that complements the visuals and enhances the overall storytelling experience.

### How far in advance should we book your services?

We recommend booking our services as early as possible to secure your desired date. Popular wedding dates tend to fill up quickly, so early planning ensures a smooth and stress-free experience.

## HAVE OTHER QUESTIONS ?
